PROSPECTUS

WILMINGTON JOURNAL.

DAVID FULTON, Editor .--Our Country, Liberty, and God.

TERMS .-- \$2 50 if paid in advance; \$3 00 at the end of three months; \$3 50 at the expiration of the year .- No paper discontinued until all arrearages are paid, except at the option of the publishers.

Having been induced, at the solicitation of some of the members of the Democratic party, to take charge of the Republican Press in this place, we will hereafter, on every Friday morning, issue a Democratic paper, under the above title, at the office of the late

" Wilmington Messenger," in the Town of Wilmington. As we have given a brief outline of the principles the "Journal" will advocate in our first number, we think it unnecessary again to reiterate the political doctrines it will be our constant and earnest endeavor to inculcate. On the present occasion, therefore, we will merely state, that the "Journal" will be the uncompromising opponent of each and every "link" in the whole of the "great chain" of Whig measures-a United States Bank-a Protective Tariff-the Bankrupt Act-Internal Improvements by the General Government, &c., &c .- While on the other hand it will, so far as our humble abilities will enable us, be the firm friend and supporter of the Constitution as it was left us by our fathers; and of a strict construction of that Constitution, thereby

ensuring the rights of the several States which compose the Confederacy. But we set cut with the idea of not going into details. It would be a needless tax upon the reader's time. Suffice it to say, that the "Journal" will be a Democratic PAPER, and will always advocate Democratic men and Democratic measures.

Although the "Journal" will be a political paper, yet, in order that it may also be agreeable to the general reader, its columns will always be open to such items of intelligence as will be interesting to the Farmer, the Merchant, the Mechanic, &c. Agriculture, Trade, the state of the Markets, &c., together with a slight glance at polite literature occasionally, will receive our attention. We hope we will not be considered too "personal in our remarks" when we offer a few suggestions to our friends touching the necessity there exists for keeping on foot a Democratic Press in the Town of Wilmington.

In the first place, Wilmington is a place of the greatest commercial importance of any in the State: it is situated in a Democratic District: there is a great deal of intercourse carried on by the citizens of the lower portion of the State with this place, and consequently a Press here would be calculated to do as much good, in diffusing information, as perhaps at any other point in the State. Again, there are, we believe, three Federal to every one Democratic paper in the State, and this we feel confident, is the reason why North Carolina placed a Whig in her Gubernatorial Chair at our recent election: for we feel assured that it only requires a fair comparison to be instituted between the policy of the Federal and Democratic parties to ensure for the latter the most triumphant success. Well now, it is impossible for a Press to be kept up unless our friends will patronize it by subscribing themselves and inducing others to "go and do likewise." For, gentle reader, we suppose you are aware, and if you are not, we will tell you, that Printers and Editors are so far like other mortals that it requires something more than air to feed and kind wishes to clothe them. Therefore, we hope that every Democrat into whose hands this Prospectus may fall, will do all he can to insure the success of the "Journal" and the cause of Democracy.

NOTE .- It being out of our power to send a copy of our Prospectus to every person who might doubtless be disposed to exert himself to procure subscribers to the "Journal," we have printed the Prospectus in our paper as it appears above, with the hope that our friends will cut it out and attach the same to a sheet of paper, and procure as many subscribers as they can conveniently, and send their names to us at as early a day as possible.
